LIVING BEYOND TECHNOLOGY

A reliable SPEEDRACK made with 40 years of know-how on material selection and convenient assembly is trying its best to provide affluent and convenient life.

Raw Materials

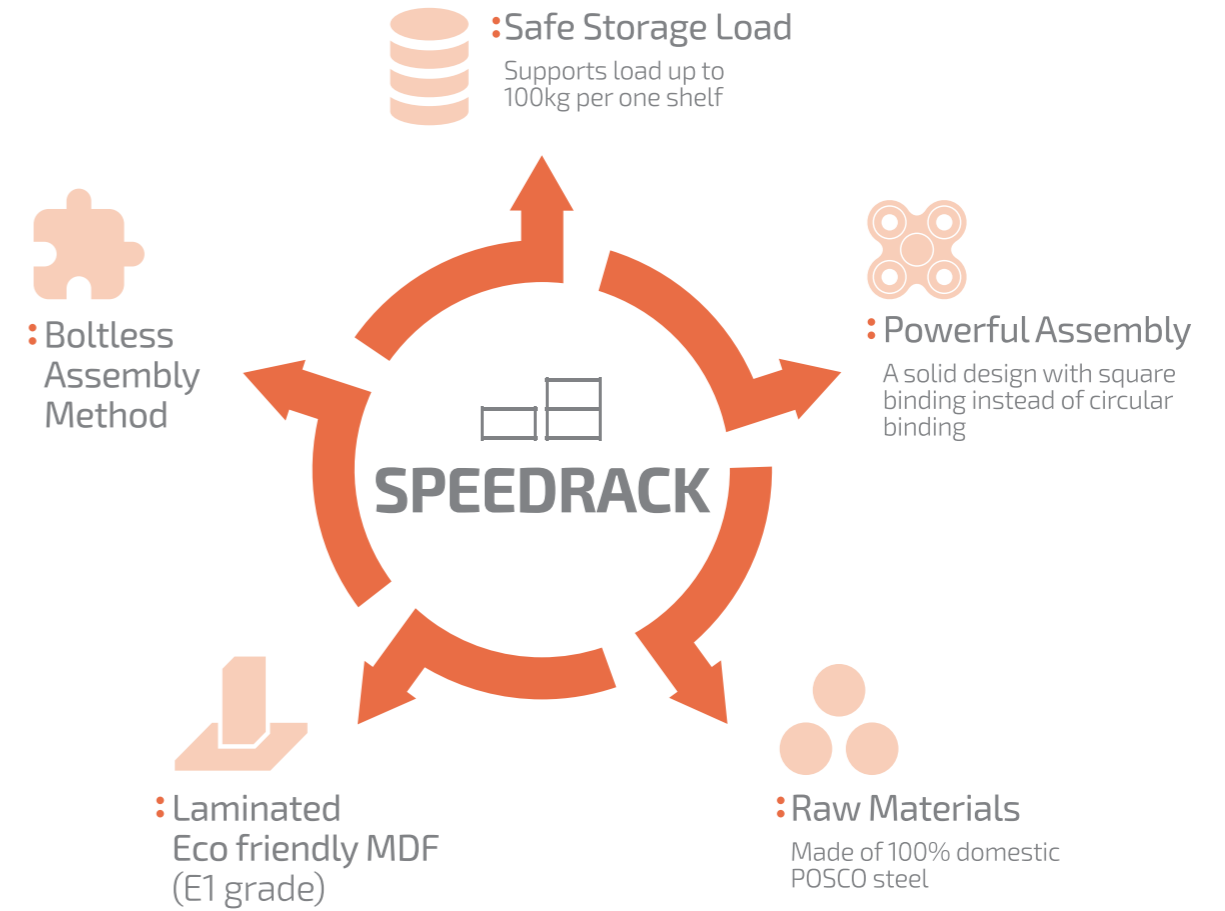

Laminated Eco friendly MDF (E1 grade)

Boltless Assembly Method

Powerful Assembly

Safe Storage Load

Our Technology

Steel / MDF(E1)

Features

- Steel of SPEEDRACK is made with powder coating method instead of general paint. The steel has high rust-resistance with 250°C surface heat treatment.
- Laminated MDF received E1 Grade in indoor environment rating. (Satisfies formaldehyde production rate standard)
- When laminated MDF is contaminated with water or solution, it can be easily cleaned.

Size Guide

- Width | 600, 700, 800, 900, 1000, 1100, 1200, 1500
